## **Kalachakra Buddha Association will be performing light up Luminance Light**

What is the meaning of light up Luminance light? What is the intention? What is the merit? How to light up Luminance light?

In Sakyamuni Buddha legendary story – Once upon a time, there was a poor orphan girl named Nanda, always attend in the temple to listen to Buddha mantra. She saw most of the people came to temple with expensive clothes and items to offer the Buddha but yet she has to beg for a living and couldn't afford anything to offer the Buddha and she is very sad about it.

One day, Nanda begged old clothing in exchange for a penny. By using this penny, Nanda bought an oil lamp to offer the Buddha. She was very sincerely bow to the Buddha, light up the oil lamp in front of the Buddha and make a wish said "May this light removed all my darkness spirit, removed all my sins and have great wisdom. Great Buddha! Please empower me the blessing". Beside Nanda, they are also many people offered oil lamp in front of the Buddha to wish for a bright future.

The next day, the monk used the fan to extinguish all the lights in the temple, except Nanda's light no matter how hard the monk tried to use his fan to blow off the light, it would not extinguish. The monk was curious and asked Sakyamuni Buddha. Sakyamuni Buddha told him you would not be able to extinguish this light with your fan. Even though flooding or wind storm still would not be able to extinguish this light because Nanda's light was light up with her heart and sincerity for merit. Other lights holders were aimed for self-reasons that are why those lights were extinguish faster.

Later when Nanda came to the temple, Sakyamuni Buddha gave her his blessing and said "Nanda because you offered this light, you been granted with great wisdom. In the future, you will become Buddha"

Based on this story, we understand the merit by offering Luminance light. Luminance light also represents wisdom. By lighting up the Luminance light, you will receive Buddha blessing and increase your merit.
